INSTRUCTIONS

1. Paint the inside of the mug and the handle with 3 coats of Red Hot.
2. Use your medium brush to apply strawberries (they're heart shaped) all over the plate. Make sure to change the direction they're facing and make some go off the edge of the plate.
3. To make the leaves on the strawberries, use your small brush and apply 2 heavy coats.
4. Dip the handle of the sponge dotter in Chiffon and apply your dots wherever you'd like them.
5. When the strawberries are dry, use your detail writing bottle to add the white seeds.

TIPS

- When using the writer bottle, apply gentle pressure to get small seeds.
- The shape of the leaves are two parentheses touching to make a single leaf, then put one more of those on each side.
- Be generous with the paint to get the most even color.
